

FLASHKIT TR

TILE REPLACEMENT FOR SOLARMOUNT

FLASHKIT TR is the complete tile replacement solution for tile roofs. UNIRAC combines **3x3** versatility and performance in one package. A Universal Base with three height configurations integrates with a selection of three flashing shapes and three flashing colors to match your tile roof, while UNIRAC's patented **WATER SEAL** technology provides the ultimate protection against leaks. Kitted in 10 packs for maximum convenience, with **FLASHKIT TR**, you have everything you need for a quick, professional installation.

STRENGTH

Universal Base with 3 height configurations is more than 4X stronger than tile hook style attachments.

VERSATILITY

Select Flat, Spanish, or W-shaped Tile profiles in Adobe, Charcoal, or Mill color to match your project roof.

TRUSTED WATER SEAL

Patented Weather Seal Technology prevents leaks. Optional sub flashing available for added protection.
